

# Plumbing & Domestic Heating Technician

(Fossil Fuel & Natural Gas)

LEVEL  
3

Level: 3

Duration: 48 months

Delivery Models: Day Release

Plumbing and Domestic Heating Technicians plan, select, install, service, commission and maintain all aspects of plumbing and heating systems.

Plumbing and domestic heating technicians can find themselves working inside or outside a property. Customer service skills and being tidy and respectful are important qualities as they can often find themselves working in customers' homes as well as on building sites.
