Team Leader

Duration: 15 months

Delivery Model: Day Release / Remote /
At Workplace

Overview

The broad purpose of this role is to provide leadership with operational and project responsibilities. Team leaders manage individuals, teams or elements of a project, offering direction, instructions, and guidance to achieve set goals. They are vital for the smooth functioning of all departments within an organisation.

Potential Progression Routes

- Level 4: Associate Project Manager
- Level 5: Operations Manager

Qualification Awarded

- Apprenticeship certificate
- Level 2 Maths and English (if applicable)

Skills an apprentice will learn

- Sets, monitors, and manages objectives and performance which link to organisational outcomes.
- Collates and interprets data and shares outputs with stakeholders to support decision-making.
- Contributes to projects, initiatives, and their implementation to achieve organisational goals.
- Communicates information to drive operational activities and improve organisation performance.
- Identifies, assesses, and monitors potential risks, and supports the mitigation of risk within the organisation.

End Point Assessment Content

Presentation with questions and a professional discussion underpinned by a portfolio of evidence.
